This is supported by the S D O Doddaballapur and the D C Mysore Deputy, as being more urgent & useful than the formation of a circle, owing to the fact that the number of Police Stations

Sir,

Subject - Diversion of grant sanctioned for the formation a circle at Dodballapur towards the construction of combined town hall and Municipal Office

I have the honour to state that a grant of Rs 2275/- was sanctioned in G O No L 2211-4 Mul 51-39-215 dated 16-9-1940 for the formation of a circle at Dodballapur Town, in pursuance of the tour instructions of the previous Dewan during the year 1939-40 While sanctioning an estimate for Rs 4550/- for the said work which included also the cost of acquisition of properties, the moiety of the estimated cost was ordered to be met out of Municipal Funds Accordingly both the Government grant and the Municipal quota were credited to 17(a) P W D and the Executive Engineer, Bangalore Division requested to take further necessary action in the matter

Steps for the acquisition of the required properties was taken and preliminary notification has been issued in G O No L 1917-VP 2-42-26 dated 12-8-1942 The Municipal Council have resolved at their meeting held on 6-8-42 that the formation of a circle is unnecessary now in view of the unsound position of the municipal finances and the amount sanctioned for the purpose could be diverted to some other work of utility and usefulness It is further reported that the running of Busses and cars at the proposed circle is very limited on account of petrol Rationing and other reasons It is urged on the other hand that the work of construction of a combined Town Hall and Municipal office at Dodballapur is of urgent necessity as the present office building is quite unsuitable for the purpose The council suggests therefore that the work of formation of the Circle

circle at a heavy cost of nearly Rs 5000/- be dropped, and the amount sanctioned therefor be utilised for the construction of a combined Town Hall and Municipal office Both the Amildar President and Sub Division Officer, Dodballapur support the recommendation of the Municipal Council

I agree with them in the circumstances stated, and accordingly request that sanction of Government may be kindly obtained to drop the proposal of the formation of a circle referred to above and utilise the Government grant and also Municipal quota sanctioned therefor towards construction of a combined Town Hall and Municipal Office at Dodballapur which is an urgent necessity I am asking the Executive Engineer separately for an estimate and plan for this work on a moderate scale A further report will be sent regarding this on receipt of the plan and estimate from the Executive Engineer, Bangalore Division.
